

ONLINE CLASS

Description

The Licensed Scrum Master and Scrum@Scale credentials are the only Scrum credentials endorsed by Jeff Sutherland, co-creator of Scrum and inventor of Scrum@Scale. These online classes were designed by experts working with distributed Agile teams. The courses include access to their respective certification exams

Gone are the days of bloating your training budget with transportation, hotel, restaurants, car services, and the dreaded delayed flight. Agile Genesis is introducing its online class series of agile offerings. These are not recorded or self-paced classes.

Benefit	Online	Physical
Real Time Instructor Led Training	✓	✓
Certification Learning Objectives	✓	✓
Group Collaboration and Whiteboarding	✓	✓
Scrum Simulation	✓	✓
Qualified to Take certification exam	✓	✓
PDU/SEU Credit	✓	✓

Our online classes offer advantages that often exceed those of a physical classroom environment!

ATTEND FROM ANYWHERE

We asked ourselves, could we design and deliver a class that maximizes the benefits of online connectivity and doesn't sacrifice student interaction and information retention? After many hours of research, experiments, and drawing from expert experience, we are proud to say that the answer is a resounding yes!

This is not your everyday online class. So, get ready for the most engaging, interactive, and fun online class you've ever had.

HERE YOU'LL HAVE THE OPPORTUNITY TO

 Interact with your class in real-time using audio, video, and chat. **1**

2 Collaborate with your fellow students in breakout sessions.   Follow the class using slides and whiteboards. **3**

4 Participate in live exercises.   Gain experience with industry-standard tools used for distributed Agile team collaboration. **5**

6 Connect with your instructor and your classmates via Slack, even after the class has ended.   Enjoy industry expert guest speakers. **7**

8 Be tested using sample certifications.   Watch videos that reinforce key points. **9**

10 Earn your Scrum certification from the comfort of your own space.   Access proprietary tools used for team coaching in the real world. **11**

Students who successfully complete the course and pass the exam will earn their credentials signed by
